Students, be prepared to complete an assessment of your summer reading upon your return to school. This year you will be able to choose your book. Please let me know the title and author. You can e-mail this to me at nrobertson@ridgecroft.org . You will be asked to reflect on conflict, character, theme, setting, and style through an assignment completed the first full week of school. Please choose a book you can work with on an intimate level. You will be spending quite a bit of time with your chosen book.

Your summer assignment is to complete the “Book Report Template” based on the book of your choosing (email me the title and author). This assignment is due on the first day of school, **August 18!**

Strategies for Planning Summer Reading

DO NOT WAIT UNTIL THE WEEK BEFORE SCHOOL!!

1. Buy your book early.
2. Add up all the pages that need to be read.
3. Add up all the days of summer vacation.
4. Subtract days you will need for writing assignments and days that it will not be possible to read.
5. The total number of days left are “reading days.”

Divide the total reading days by the total number of pages. That is how much time is needed to read each day in order to stay on track.
