

**Fifth Grade  
Gurganus  
Summer Assignment**

- 1. Practice your multiplication tables (1 - 12) every day. Know them frontwards and backwards. You should know all of them by the time school opens back in August.**
  
- 2. Work on cursive handwriting. You should be able to read and write in cursive when school starts.**
  
- 3. Read three chapter books of your choice. Read one in June, one in July, and one in August. Each book should be a minimum of 150 pages. Be prepared to discuss your favorite book when school starts.**
