

Mrs. Newsome

Math 6 and Computer 7 and 8 supply list

Choose 2 items to bring, please.

1 pack of notebook paper

1 pack of graph paper

1 box of tissues

1 container of antibacterial wipes

12 pencils

All of these supplies are desperately needed. By the end of the year, no one has paper, pencils, and our classroom is out of tissues. I use wipes daily to clean the computers so no one gets sick. The school does not supply these items for classroom use; this is where I depend on my parents.

Thank you, Mrs. Newsome
