

2020-2021 Service Hour Requirements

* Updated 8/10/2020*

Ridgcroft families,

Please understand our Service Hour requirement for the 2020-2021 school year has not changed. Service hours are very important as they increase family involvement and awareness of various school programs/projects and increase pride in Ridgcroft School and its facilities. Should the Governor of NC issue another Stay at Home order due to COVID-19, the service hour requirement will be revisited by our Board of Directors, similarly to the 2019-2020 school year. Right now, there are “creative ways” families can earn service hours while practicing social distancing. Listed below are a few reminders about service hours.

- The service hour year is June 1, 2020 - May 31, 2021.
- Each family is required to complete 25 service hours. (May include grandparents, aunts, uncles, etc.)
- Families are responsible for recording their hours on TrackItForward, which is an online tool available 24/7.
- Service hours may be satisfied at \$20.00 per hour.
- For every hour worked, you receive one hour.
- Service hour opportunities will be listed on TrackItForward and communicated to families by email.
