Each Ridgcroft family is required to complete 25 service hours between June 1 and May 31. Service hours help foster family involvement, school pride, and strong communication within our community. Hours can be earned by parents, extended family, and approved high school students. Families may also satisfy hours by donating \$25 per unworked hour. All hours must also be recorded in FACTS Family Portal, and must be completed or paid by May 31 to receive report cards or participate in senior graduation activities. If your student participates in athletics, we encourage them to complete at least 8 hours of athletic-related volunteering. All hours must be signed off by approved Ridgcroft personnel (admin, board, teacher, coach) on this form.
